

Grade One Home Learning for January 11th-14th

Hello Grade One Families!

We hope everyone had a relaxing break and that all continues to go well with all of you. We look forward to when we can all safely return to the classroom. Below are some activities for this week. I will be connecting with families through E-mail, See Saw and Teams. Please be patient with your child as they attempt the activities. We realize that they miss school and their friends. Please feel free to reach out to either of us by e-mail if you have questions or concerns.

Tuesday – Home Learning Packets were picked up today

Literacy	<ul style="list-style-type: none"> Each year, the TD Bank sponsors a book to send home with all grade one students in the country. Today, you will find in your Home Learning packet, a copy of Malaika's Costume by Nadia L. Hohn. This is for your child to keep. Enjoy!
Numeracy	<ul style="list-style-type: none"> Practice counting to 20 forward and backwards. Practice counting by 2's. How high can you get?
Wellness	<ul style="list-style-type: none"> Complete the Happy New Year Colouring page. Remember to work neatly, use more than one color and try to stay in the lines.

Wednesday

Literacy	<ul style="list-style-type: none"> Read the -ip word family words. Review the 4 sight words from before the break: all, are, here, where. Listen to the story Squirrel's New Years Resolution by following the following link: https://www.youtube.com/watch?v=EAMDa-udC_I Writing – choose someone who is important to you and think of why they are. I have included both a he and she page so choose the one that is right for you. Print a complete sentence giving a toast to that person. Example: Here's to Mr Anderson. May he always be a great principal.
Wellness	<ul style="list-style-type: none"> Happy New Year! Complete the "Toast to a New Year" craft. The instructions have been included. Take a picture of it and send it to me. I would love to see your work!

Thursday

Literacy

- Practice spelling the -ip family words using the letter tiles.
- Complete the -ip family "word pop" page. Read the -ip words to someone at home.
- Play the "ip" family reading game
- Using the reproducible page, trace and print the first four sight words. Remember to work neatly.

Numeracy

- Have someone at home call out numbers between 0-20. Tell them a number that is greater than it.
- Complete the math page by comparing and coloring the greater number.

Exploration Time

- Go outside and play in the snow.

Friday

Literacy

- Get your word family dictation page ready. Have an adult at home call out 5 of the words for you to spell. Use a pencil and print neatly using lower case letters. Good luck!
- Review the next four sight words: there, their, was, saw.
- Trace and print the new sight words on the page provided.
- Writing: On the page provided, think of 2 writing goals that you need to work on to improve your writing. Record your goals on the page provided. Remember to print neatly and use a capital letter at the beginning of your sentence and a period at the end.

Numeracy

- Practice counting backwards by using different numbers as your starting number such as 15, 14, 13....
- Complete the counting backwards page.
- Play the ten-frame roll and read game with someone at home.

Exploration Time

- Help your parents today by making your bed or setting the table.
