### SPECIAL MESSAGES:

1. **Home Learning for this week** - Below you will see a list of activities that support outcomes we would be teaching in class this week. Please try not to be overwhelmed with the number of activities you see below. Keep in mind that this is a weeks' worth of work. Complete what you can by the end of the week. Any paperwork can be done in the scribbler in the homework binder.
2. **Teams Meetings** - I will be sending you a Teams invite for this Wednesday for anyone who is available.
3. **Remembrance Day** - Nov. 11<sup>th</sup> - no home learning.
4. **Teacher Page** - All the links to games/videos are on my teacher webpage for easy access.

### Reading

1. Flippy Dolphin - This is a new decoding strategy we will learn about. Watch the video explaining this strategy that is posted on my teacher webpage.

2. Go to Starfall.com and learn about short and long vowel sounds. Click on the videos from #1 to #11. They all focus on vowel sounds.

3. Listen and sing along to the vowel videos for practice on my teacher webpage.

4. Choose a book from your home library and practice "Flippy Dolphin".

### Sight Words

1. Practice reading 5-10 unchecked words on your sight word list each night.

2. There are powerpoints on my teacher webpage of all the grade 1 and 2 sights words for your child to practice.

## Spelling Words

The words we are practicing this week are:

had is his I as

You can practice spelling these words in the scribbler in your homework binder.

Here is a fun activity you can also try:

Follow the code for the alphabet to total the letters of this week's spelling words.

Example: from =  $2+2+3+1=8$

a=1 b=2 c=3 d=4 e=1 f=2 g=3 h=4 i=1 j=2 k=3 l=4 m=1 n=2 o=3 p=4 q=1 r=2 s=3 t=4 u=1 v=2 w=3 x=4 y=1 z=2

## Math Facts

"The Flash - Dots on a 10 Frame". See Parent Tip explanation on my teacher page.

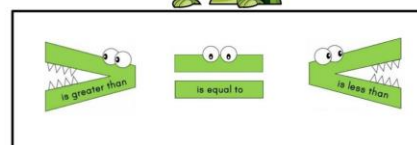

\*Check out the 10-frame flash games and videos on my teacher page to practice this strategy.

## Math

1. **Comparing numbers** - This is a new outcome that we would be teaching this week. Please go to my teacher page and view the videos that teach/support this outcome.

### Greater than, less than & equal to

2. **Number sense** - Play Give the Dog a Bone and see how well you do. You can use your 100 chart to help if you need to.

-Practice counting by twos forward and backwards to 20. Again, use your 100 chart for support if you need to.

### 3. Months of the Year - Questions to ask:

- What are the months of the year?
- How many months are in a year?
- What is the first month of the year?
- What is the last month of the year?
- What month comes after May?
- What month comes before September? Etc.

There are learning activities on my teacher page.

### Writing

Option 1: Go outside to play. Write about what you played, where you played and who you played with.

Option 2: Go for a walk. Where did you go, who did you go with, what are some of the things you saw, heard, or smelled along the way.

Your writing can be done in your scribbler. You should have at least 5 sentences with a beginning, middle and end. Make sure you have:

- Upper case letters
- Stop marks
- Correct spacing
- Spelling the best you can. 😊 (Spelling the best you can.)

Missing all my kiddos! Hope you have a good week. Email me anytime.
