

Homework – Jan. 31st – Feb. 4th

Message:

- Welcome Back Everyone! It is so nice to have the students back in the classroom. **It is important that your child has at least 3 well fitted masks with them each day.** In addition, students should bring a water bottle as our water fountains are refill stations.
- **Currently, the District has a COVID Dashboard that is updated daily.** On this dashboard, you will find exposure dates from the schools within the district. You can find it here: <http://web1.nbed.nh.ca/sites/ASD-W/Pages/COVID-19-Dashboard.aspx> **It is important to notify administration at the school should your child develop COVID.**
- As always, if your child is sick or has symptoms, they should not be attending school.
- Valentine's is on Feb. 14th. I am sending home a class list for your child to make Valentines for their classmates. Don't forget to work on a few Valentine's each day and print neatly. You may send your Valentines anytime between Feb. 9th and on the 14th.
