

Homework – November 22nd – 26th

Messages:

- Report cards are coming home on Mon. Nov. 29th. Check your email for a link to sign up for parent teacher conferences. They will take place virtually on Dec. 1-3. You may choose between a telephone call or an online TEAMS meeting.
- Looking ahead: There will be **no school for students on Friday, Dec. 3rd**, as there are Parent Teacher Conferences in the morning and Professional Learning in the afternoon for teachers.
- Rock Star Self-Reflections:** You are all rock stars for so many different reasons. Report cards are a reflection of all the great things your teacher sees you do and goals you can work on. It is also important for students to take some time to think about how they perceive their school year to be going. This week students will complete a Rock Star Reflection at home. Boys and girls, I cannot wait to see what you come up with!

New sight words: **has had have up**

Monday

1. Practice the **-ate** family for a dictation on Friday.
2. Sign and return the word family dictation book.
3. Think about something you feel you do really well at school. Under the first flap of your writing page print a complete sentence that describes you. An example would be: **I am very good at counting**, or **I am a great listener**. Remember to work neatly, leave spaces between your words, start with an uppercase letter and add a period.

ate family

date	gate
state	late
rate	fate
plate	skate

Tuesday

1. Practice printing the **-ate** family words.
2. Math - Have someone at home call out numbers between 0 and 20. Tell them the number that is one more/two more.
3. Think about something you feel you do fairly well at school, but could practice a little more. An example would be I am okay with printing neatly. Print the sentence neatly under the second flap of your rock star reflection.

Wednesday

1. Sight Words – read all the words and really practice any you are having trouble with. If you know all of them use a few in a good sentence.
1. Practice printing the **-ate** family words.
2. Math - Practice counting by 5's to 100.
3. Think of something you could improve on at school. Print a neat sentence under the last flap of your rock star reflection.

Thursday

1. Word family – practice the words and sentence for a dictation tomorrow.
2. Math – Look around your house for patterns. You may see them on dishes, clothes, curtains ... just about anywhere!
3. Finish your Rock Star Self-Reflection and return it to school tomorrow. Adding some colour to the pictures would give it some extra pizzazz! If your week has been busy and the weekend would be helpful to finish this just let me know.

parent initials _____

I can describe my strengths and goals.

I rock
