

HOMEWORK-November 1st- 5th

SPECIAL MESSAGES:

1. Remembrance Day - Nov. 11th no school.

MONDAY - THURSDAY

Please see below your child's homework, which is to be completed by Friday. Thank you!

Reading

The RAH RAH book is in the back pocket. When you are done reading try retelling the story with as much detail as you can. (Some books take longer to read, so read for about 10 minutes each night. As well, if you finish the book in 1 night, reread each night to improve fluency.)

Sight Words

Practice reading 5-10 unchecked words on your sight word list each night.

Spelling Words

The words we are practicing this week are List 2:

be he or for from

You can practice these words in the scribbler at the back. There will be a test on Friday. Please sign the test from last week in the Campfire Notebook.

Math Facts

"Invisible Woman/Batman and Robin". We will review all the adding and subtracting strategies taught so far. Please practice each night by answering a few questions on the back of this page.

There will be a review test on Friday. Sign and correct the test from last week.

Math

"Months of the Year" - We are learning how to name and order the months of the year. Please practice with your child at home. Questions to ask: What are the months of the year? How many months are in a year? What is the first month of the year? What is the last month of the year? What month comes after May? What month comes before September? *Practice each night so that your child comes prepared to answer similar questions. ☺

Please find enclosed months of the year flashcards for your child to cut apart and order. (Play the missing month game similar to the missing day game.)

*There are songs/games posted on my teacher page for your child to view/play at home that support this outcome.

Please have your child complete the homework by Friday and initial **once it is all finished**.

Thank you!
