Printing

We have been working on correctly and neatly printing the numbers 0-9. Please practice by using the number strip in the pocket of this folder.

Reading

We have written some promises as a class, and I have copied them on the back of this paper. Have your child read as much as they can to you. Have your child answer the question at the bottom.

Math

We are reviewing Grade 1 skills and are learning what two numbers make 5. Please have your child fill in the missing numbers.

$___ + 2 = 5$

$3 + ___ = 5$

$1 + ___ = 5$

$___ + 4 = 5$

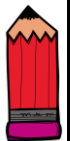

$0 + ___ = 5$

$5 + ___ = 5$

*There is a game posted on my teacher page for your child to play at home that supports this outcome.
