## MONDAY - THURSDAY

Please see below your child's homework, which is to be completed by Friday.  
Thank you!

## Sight Words:

Please find your child's individualized sight word sheet in the plastic sleeve in your homework duotang. Practice reading 5-10 unchecked words on your sight word list each night.

## Math Facts:

The "Invisible Woman"- Our first math strategy is adding/subtracting 0. See the enclosed "Parent Tip" explaining how this strategy has been taught. Please use the flashcards provided in your "SuperHero Flashcards" bag to practice flashing them to your child each night. Flashcards can be kept in the provided baggie and left at home. We will add new cards to the bag with each new strategy. We will have a math facts test on this strategy this Friday.

## Math:

"Months of the Year"- We are learning how to name and order the months of the year. Please practice with your child at home. Questions to ask: What are the month of the year? How many months are in a year? What is the first month of the year? What is the last month of the year? What month comes after July? What month comes before November? Practice each night so that your child comes prepared to answer similar questions.

\*There are songs, games and videos on my teacher page.

Please have your child complete all of their homework by Friday. Once the weekly homework is completed please initial this box. Thank you!
