

Adding 2-Digit Numbers

Name: _____

Draw a number line to find the sum.

$25 + 17 =$

We start with the bigger number and mark where it is. Next we draw the jumps of 10 and 1 to get to the sum.

Answer

42

$42 + 39 =$

$58 + 17 =$

$36 + 46 =$

$26 + 55 =$

$69 + 18 =$
