

# March Maker Challenge

Are you in the mood to CREATE or MAKE something?

The **March Maker Challenge** is a way to share and celebrate all the wonderful Makers at RRES. Maker Projects for kids do not have to be complicated or expensive. In fact, some of the best projects use recycled or repurposed items like cardboard or plastic bottles. Everyone is a maker. You might not realize it, but we are all makers, and we make things every day.

Here is how the **MARCH MAKER CHALLENGE** works:

- ✓ Make and/or Create something.
- ✓ Take pictures of your maker process or a picture or video of your final project.
- ✓ Share the pictures/video with us. Send an email to [royalroadelementary@nbed.nb.ca](mailto:royalroadelementary@nbed.nb.ca)
- ✓ Include a quick description of what you made in the email.
- ✓ We will share your creation with the school on morning announcements.
- ✓ Your name is entered in a draw to win a **Chapters** gift card.

Below, we have compiled some ideas of things you could make. We know you are very creative, and we challenge you to come up with your own projects to make and share, using your own creative strengths.

## IDEAS:

Make a marble run

Build a house of cards

Build a blanket fort.

Make an original Lego creation

Build a house, or castle with recycled materials

Write a poem

Rubber band helicopter, car, or catapult

Make a papier macher creation

Build something that solves a problem in your live

Make a simple hydraulic machine

Make a snowman, a snow fort or other snow creations.

Design a piece of clothing and try to make it

Make a boat that floats

Invent and draw a new superhero

Write a mini play and act it out

A stop motion video

Design your dream house.

Make an original mask

Make music/play an instrument

Build a bridge for your hot wheel's cars

Sew something

Make a new instrument

Design and build a spaceship for aliens

Knit something

Make a green screen production

Bake a cake or cookies

Remember to **show us** your creations by mailing them to [royalroadelementary@nbed.nb.ca](mailto:royalroadelementary@nbed.nb.ca) and we will feature your project on morning announcements and enter your name in a **draw to win** a gift card. This Challenge is open until March 31<sup>st</sup>, 2021.

Create, make, celebrate
