

Dear Santa

Dear Santa,
 Hi! We are writing you from Fredericton, N.B., Canada. We are in grade 2 at Royal Road School. We think we are the best grade two class in the world!

We are really fabulous listeners, we are kind, we love making art, we are fantastic counters, and we are really wonderful readers, and writers.

We were wondering how cold it is in the North Pole and if you know how to do the Dab dance move?

You and your elves make us very happy. Thank you for all the toys you bring us.

Have a wonderful Christmas!
 Love, Mrs. Waugh's grade 2 class.
