

January

2017

To Learn To Grow To Lead

Literacy Outcomes	Monday	Tuesday	Wednesday	Thursday	Friday	Math Outcomes
<p>Reading Comprehension strategy: summarizing/identifying main idea using reading comprehension stories.</p> <p>Writing: The focus for January will be for students to write an independent writing piece focusing on sentence fluency, smooth transitions and supporting details. Students will be encouraged to write and rewrite their pieces during the editing process. Building their writing stamina will be encouraged this month.</p>	2	3	4	5	6	<p><u>Multiplication</u></p> <p>2 or 3 digit by 1 digit</p> <p>Using personal strategies to estimate and solve multiplication problems</p> <p>Using mental math strategies to solve multiplication and related division</p> <p>Demonstrate an understanding of division with a 1 digit divisor and up to a 2 digit dividend</p> <p>Students should practice multiplication facts 0-10 every night! It is important for students to recall their facts quickly.</p>
	9	10 Welcome to 2017!	11	12 Rocks and Minerals Field Trip to UNB (Leaving at 8:30)	13	
	16	17	18	19	20	
	23	24	25	26	27	
	30 Skating at Willie O'Ree (9-10)	31				
	<p>Students will be going skating at Willie O'Ree. They will need skates and a helmet in a separate bag, not their book bag. <i>This event is for students only as it is part of their physical education program and lessons at the rink will be taught by an instructor. This is not a "free skate" time for the students.</i></p>
