June

2017   Our Mission: To Learn, To Grow, To Lead

LITERACY:

RAZKIDS will be available to your child until the end of August. Please let them take advantage of this wonderful reading program over the summer... it will allow your child to maintain their current reading level and help continue to build fluency and comprehension skills.

MATH:

Current Focus:

Data Analysis
Gathering information and graphing: concrete graphs, picto graphs, bar graphs and line graphs.

Monday	Tuesday	Wednesday	Thursday	Friday
Students will be working on their Habitat projects until June 13th. If students could bring in materials from home for their chosen habitat project that would be greatly appreciated. Paint will be provided. (Clay, figures, stones, rocks, etc.)			1	2 **District Track and Field (select students)**
5 **LAST Scholastic Order... a great way for your child to spend the summer... READING!**	6 Kids Sing Performance	7 Bike Rodeo 1:30-2:00	8	9
12	13	14	15 **Field Trip to Mactaquac** for our Habitat Science Learning Outcome (dress for the weather) 8:30-12:30 **Last Day for Cafeteria**	16 **Royal Road Showcase (11-11:30) Picnic (11:30-1:00)**
19 *Marvelous Monday!* Games and competition... a morning of teamwork! (Minute to Win It style) Lisson/Crammond	20 *Terrific Tuesday!* Let's have a Grade 4 Picnic on the Playground Lisson/Crammond	21 *Wacky Wednesday!* Chalk art on the pavement... what wonderful drawings can we create?	22 *Thoughtful Thursday!* Pizza Day and Ice Cream desert picnic party! **Grade 5 Talent Show Production**	23 *Fabulous Friday!* Last Day of School Have a wonderful summer!

June Birthdays: Ayla, Madison and Hunter
Summer Birthdays: Wyhatt and Hunter

Upcoming Event: The Fredericton Motorcycle Club will be having their 33rd annual Toy Ride on Sat. June 10th. We leave the Brookside Mall Parking Lot at 11:00 and head out the Royal Road to the Stanley School. It's pretty cool to see 50+ Motorcycles travelling together for this great cause! As President of the FMC I thank you for your support in our "toy drive" for the DECH.
