The Directors of the Foundation sincerely hope you and your families are remaining healthy during the COVID-19 crisis.

There is no question your 2020 graduates have been severely affected by school closures which will cause difficulties in completing applications for *the Hugh H. Mackay-James A. MacMurray Scholarships* this year.

We are contacting the Principals of the high schools to solicit assistance in immediately circulating this information to the appropriate person(s) at your school to ensure the students are aware our Scholarships will definitely be awarded this year. We have found the Guidance Counsellors have been very helpful to the students in completing applications in the past and will, no doubt, assist you with circulation of this information. In fact, some have already contacted us on their students' behalf.

Attached is a copy of the Official Application Form (which includes the criteria) for circulation as you see fit to Guidance Counsellors/students for completion. Please note this form is for printing on legal-sized paper.

The required 2019-2020 Official Transcript and Principal/Designate Confidential portions of the application should be forwarded **directly** from the school to the Secretary of the Foundation by:

- Canada Post at the above address;
- scanning and emailing a PDF to (jchenier@nbnet.nb.ca); or
- fax to 506-849-6090.

The graduate's Official Application Form, Letter of Aspirations and any other supporting documents can be sent to the Secretary in the same way.

Thank you very much for your assistance in reaching out to the students with this information.

In the meantime – please continue to practice social distancing, stay safe and be healthy.
