The Russel and Sandra Bradford Memorial Scholarship is in the amount of \$500. Russel and Sandra both loved the Village of Plaster Rock and were huge supporters of their community through coaching, organizing and playing sports, being leaders in various levels of Scouts Canada, being active members in the Lions Club, the Golf and Curling Club and Square and Round dancing, being active in the United Church, volunteering at the manor and in supporting community businesses by always shopping locally.

The scholarship will, therefore, be awarded to a graduate of Tobique Valley High School who displays community spirit through their involvement in community volunteer activities and other community involvement (i.e. member of golf/curling club, active in sports, other organized community clubs).

The application must be accompanied by a letter outlining the student's community service and involvement. Preference will be given to applicants who volunteer for the World Pond Hockey Championships.

The funds will be forwarded to the student upon receipt, from the educational institution's registrar, of proof of second term enrollment.
