Our Wish & GRATITUDE for our Townsvie Families

- ✚ With COVID 19 restrictions, we have been very lucky to come back to school. We know that not all is perfect, and yes, we always have room for growth and improvement. We are thankful to our parent community for your continued support of our staff and students.
- ✚ On a personal note, sometimes it is so easy to find the negatives, but I feel it is equally important that, as we head into 2021 we all must continue to look for the "silver linings" and all the positives that we have here at Townsvie School. It is important that we continue to care and support one another as we work through the every changing processes of COVID 19. Thank you.
- ✚ On behalf of the students and staff of Townsvie School, we wish all of our families a very restful and peaceful holiday season. Merry Christmas.
