Needing your help to provide for our students

- Needing to bring a refillable water bottle – school does not provide water bottles, bottles of water or cups to drink from
- Need to dress appropriately for the weather – students go outside every day for noon recess (weather permitting)
- All students need to have at least 2 community face masks

School Clothing Order Pick-Up

- School Clothing orders will be ready for pick up on December 20 & 21, 2021
- Normally if they are not a Christmas gift we send home with the student. If it is a Christmas gift, then we ask that you come to the school either on December 20 & 21 (during the school day) to pick up your order up until 4:00pm each day.

Townsvie Christmas Care Tree

- This month we are promoting our school community to do acts of generosity. Our Christmas Care Tree is a great way to achieve our goal of being kind and generous citizens of Townsvie School. Each year Townsvie School puts up our Christmas Care Tree. We collect items in support of the Carleton Animal Shelter, Harvest House, Sanctuary House and our local Food Bank. If you would like to contribute and send something into the school for any of the above local charities, it would be greatly appreciated. We ask that the items you send in be in a clear plastic bag with the name of the charity that you are wanting your donation to go to.
- All donations will have to be at the school by Tuesday, December 21st - we will then distribute to our designated places. Thank you.
- To name a few of the items that we are hoping to collect – all donations will be greatly accepted and greatly appreciated.
