Age 9-14

We emphasize creativity, exploration and friendship. Students will discover new tech skills in an energetic, kid friendly, learning environment. Week-long day camps include personalized instruction and fun camp activities with a 10:1 camper to leader ratio.

We take frequent breaks and incorporate a balance of outdoor activities and STEM building challenges.

Camps run Monday to Friday from 9AM-5PM.

Email us at info@codingcamp.ca or visit www.codingcamp.ca for more info and to register.

Camps will run weekly from June 27th-August 12th.
