HELLO FAMILIES!

What an exciting year we are going to have! I'd like to welcome you and your child to Grade Two. I have many exciting things planned for this year. I will be introducing these things little by little, so be on the lookout for important notices!

We will be using clear plastic envelopes for home communications this year. I think you will find that it will be a great asset. However, please do **check the folder each night** for important notices. Any money or notes to me or to the office should also be placed in the envelope so that I will see them each morning. Please ensure you **place all monies into a Ziploc bag or envelope** before placing into the envelope. Also, please write your child's name on the bag or place a note in the bag with your child's name on it to avoid confusion.

One thing I would like to point out is the communication notebook. It is very important that you **check your child's notebook each night** for important communications. The notebook is also a great place for you to write any notes to me, as I will check them every day.

Also, this is just a reminder that school supply money is \$45.00 and can be sent in with your child by September 23rd, as well as other school supplies including Kleenex, large Ziploc bags, white board markers, and a pencil box.

I will be doing Scholastic book orders this year, so be on the lookout for those next week.

If you need to contact me for any reason, the number at the school is 369-2000. I can also be reached by email: dawn.hunter@nbed.nb.ca.

I am looking forward to a wonderful year!

Ms. D. Hunter
