Professional Learning for staff.

March is Canadian Agriculture Literacy Month

This is an opportunity for students from K to 12 in all 10 provinces to learn about and celebrate Canada's incredible agriculture and food story.

By connecting classrooms with farmers and people with a passion for agriculture and food, students and teachers learn firsthand about this sector.

- **Monday, April 11th: Report Cards**
- **Thursday, April 14th: No school for students**
Parent Teacher and Professional Learning for staff.
*Homeroom teachers will contact you regarding parent teacher arrangements.
