PBIS TIP

One way to support your student(s)
and P.B.I.S. at home:

SET ROUTINES

Most children thrive when they have routines and structure. The more consistent the routines and schedule can be, the easier it will be to support prosocial behavior and prevent challenging behavior in the home.

Things like; consistent wake up times in the morning and an appropriate bedtime on school nights.

Do you know what a
baby goat is called?

A KID!

CONTEST

There is a new KID joining our very own
K.I.D.S. family, and he needs a name!
One entry per student, given to your
homeroom teacher, by November 10th.
Maybe your name will be chosen!
Good luck :)
