

Making Words

Use the letters in the grid below to see how many words you can make. The letters boxes to not have to be touching to make the word. Use your sight word list to get you started. Once you have made as many words as you can find, you can use the points chart below to find your score. *Try using magnetic letters, letter tiles, or printing letters on paper to create your words if this helps.

t	g	o	p
w	i	t	h
a	s	e	y
l	e	u	m

_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____

Tally up your points for the words you made using the following values.

2 letter words = 1 point

3 letter words = 2 points

4 letter words = 3 points

5 or more letters = 4 points
