

## Grade 2 Supplies for 2022-2023

Dear Parents\Guardians,

Below is a list of items your child will need when school starts in the fall.

- **Indoor sneakers-** Velcro sneakers work best with non-marking soles. Tie sneakers rarely stay tied and become a safety hazard. Please label them with your child's name.
- **Book bag-** large enough to accommodate a bag of books and your child's agenda. Please label with your child's name.
- **Change of clothes-** (old shirt\pants, underwear, socks) please put this in a bag labeled with your child's name. It will be kept in your child's cubby for the year for emergencies or accidents.
- **Lunchbox\bag-** (Please send utensils when they are needed.) Please label lunch bag.
- **Water bottle-** Labeled with child's name. This will come home nightly to be cleaned.
- **1 box of Kleenex-** No label necessary as we will share the Kleenex. You will be asked to send in more when we run out.
- **1 box of large or extra-large zip lock bags-** No need to label these
- **\$50.00 Student Fee** (This covers the cost of the remaining supplies. **Please pay this using cash net, or at the office.** Please let me know once you have paid.)
