Hot Lunch

You will notice no hot lunch on Thursday of next week as we are having a picnic lunch outside (weather and bugs permitting). We will have Subway on **Wednesday** next week instead. There will be no hot lunch the final week of school.

Principal's Corner

It is hard to believe the end of the school year is fast approaching and we are preparing for another summer. As the grade 2 class prepares to go to Hubbard, we will miss them but know they are well prepared to move on to a larger school. Grade K and 1, we look forward to seeing your wonderful faces next year! The students have all grown and developed new skills and we as a staff have enjoyed working with them. Although school is done for the summer, remember to encourage your children to read and write to keep up their skill level. If you are in need of books, we are certainly willing to sign some out to children, just let us know. Have a relaxing, fun filled summer and we look forward to seeing you again in September.

Guidance Corner

Happy June! At last, the wonderful warm days of spring/early summer are with us and we get to enjoy more quality time with our families, friends and community. After ten months of hard work and learning, our children can enjoy some well-earned downtime and opportunities to experience some real-life learning. This may be done by planting a garden, swimming at the beach or roasting marshmallows at a campfire. Sounds like fun to me!

At this time I am equal parts excited for the summer and sad to be leaving the Burton School community. I have very much enjoyed every minute of working with students, staff and parents over the past two years. I have seen many children thrive from the hard work that “a community” puts into making their academic success and emotional and social well-being a priority. I look forward to keeping in touch with Ms. Watson and hearing how our children continue to change and grow. I will miss you all!

Student Recognition

Congratulations to the following students who were recognized during May’s assembly for their “bucket filling” behaviour:

Kindergarten: Kiera Kent
Grade 1: Myleigh Decourcey
Grade 2: Erica Thistle
Phys Ed: Brandon Myra, Noah MacMullin, Calem Porter
Guidance Choice: Rowan Moquin
Principal’s Choice: Kaileigh Beyer
Bus: Rylee Price

For June’s assembly we will be having students present their products from clusters. The assembly will be held on **Monday, June 15 at 11:15 am** in the gym.

Our theme for June will be all round student.

Field Trip Permission

June 11, 2105

On Thursday, June 11, 2015 I give my child, _____,
permission to travel by bus to the Oromocto Fire Station and the Oromocto Ceramics Club on Miramichi Road. We will
leave the school at 9:00 am and be returning for 12:00 pm. There will be no cost for the bus as the school will cover
that cost. **Parents are asked to send \$5.00 for the cost of the ceramic piece your child selects to paint.** At 12:00 pm
students are returning to the school to have a picnic lunch outside (weather and bugs permitting). Parents are asked
to pack a bag lunch and drink as there will be no hot lunch that day. In the afternoon we will be remaining outside with
one of the available options of water play available for your child to participate in. It is recommended, for this reason,
children bring a towel, sun screen and change of clothes to change into at the end of the day. If you are interested in
participating in any part of the day, please inform your child's teacher.
