Approval of the Minutes from Previous Meeting: Melissa approved the agenda, seconded by Dallas

Business Arising from the Minutes:

1. **Spring Symposium** – has been cancelled for this spring.
2. **SIP** – Two goals have been established for the school year. Goals are focused on grammar and punctuation. Mrs. Richardson will be leading the task of gathering the data for the two goals to track progression. It is a living document. Actions/strategies will be added/changed as time proceeds. Good conversation with staff.

New Business:

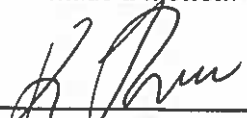

1. **DEC Update** – An update was provided on the feasibility study for the local schools. Two meetings have been held so far. The third meeting will be held in March at CNHS – open to the public. CCS was not included in the study due to it being in good condition and there are not a lot of needs at the school regarding capacity.
2. **DEC Elections** – Elections are May 11. If you are interested please put your name forward. Follow the instructions provided in the email sent from Chris.
3. **OurSchool Reports** – Results of the survey were discussed. Data is being analyzed.
