

April 2020

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
Use your imagination and find your own ideas to learn.	Research what interests you. If you are stuck, try one of these.	You can choose any day. It does not have to be on the actual date.	1 Be creative!	2	3	4  Happy Birthday, Karlee
5	6 	7 Blow bubbles outside. Create a bubble solution and wand if needed (use pipe cleaner or wire)	8 Build something in Lego or other construction objects	9 Read a book to a stuffed toy or pet or family member. Have a picnic!	10 Good Friday Say some From 3 to 3 rhymes or stories	11
12	13 Easter Monday Draw a pic of something you are thankful for	14 Tell someone a story about spring	15 Go cloud watching outside	16 Keep a tally of all your kind acts today	17 Write a to do list for today	18
19	20 Clean up garbage in your yard	21 Plant some seeds or "build" some seeds or plants from found objects (paper, cups, buttons, whatever)	22 Happy Earth Day  Go for a nature walk	23 Write a poem or create art in nature. Remember to leave nature in nature. 😊	24 Design an experiment to see how long it takes ice to melt	25
26	27 Estimate and then count how many cereal pieces are in your bowl	28 Look for signs of spring outside. Write about what you see.	29 Choose a number from 1-9 then skip count forward by 10s to 100 (3, 13, 23...)	30 Choose a number from 91-99 then skip count backwards (98, 88, 78...)	Draw and label the life cycle stages of a human (baby, child, adult, senior)
