In accordance with the communication sent from our Minister of Education, Dominic Carty, on April 2, 2020 Home learning opportunities to support literacy, numeracy, science and social studies outcomes will be made available online weekly by Middle School Teachers.

Families encouraged to:

- Support their children to complete the options below for an average of **two hours per day**.
- Read aloud with their children daily; and
- Consider daily physical activity and free play as an important part of their child's mental health and skill development.

### Description of Learning Activities

#### Monday: Movement to Music

Take 30 minutes and try to perfect these 3 dances.

## Tuesday: Fitness Challenge Body Weight Workout!

Have fun with this beginner at home workout 😊

## Wellness Wednesday

Take your family on a 30 minute jog/walk. Try to jog as much and as often as you can, stopping to walk when you need to. Then write in a journal or Blog about your jog/walk.

## Thursday: Chores Galore Again!

Today you are going to help out around the house. Pick 2 more chores that you will complete and do well. Put on some music and make it fun! These need to be chores that take time and effort like cleaning the bathroom or sweeping and mopping the floors etc. Taking the garbage out and feeding your pet are helpful for sure, but do not count.

I'm sure your parents are loving the Help!! 😊

## Fitness Friday

Watch video 4. Write a brief journal about how this video may have inspired you. Then go out and do something that will continue to be a step in the right direction towards the dream you set last week. Continue keeping a written record of your progress.
