

# Kindergarten Choice Board

Bring playdough outdoors and use it to make imprints of bark, leaves and rocks.

Gather twigs or pebbles and create a part/part/whole story.

Choose a twig about the length of your hand and use this tool to measure things in your backyard.

Collect 10 objects from your backyard. Sort them by color, shape and size.

Find a puddle of water. Test objects to see if they float or sink.

Find an object outside and make up a story about it. Begin with "Once upon a time...."

Choose a letter of the alphabet. Find 3 things that begin with that letter. How many letters can you do?

Take an egg carton on a collection walk. Fill each egg cup with an interesting treasure from nature.

Hunt for shapes in nature. Can you find a circle, square, triangle and rectangle? Can you find a cube, cone and sphere.
