

Dear Grade One Families!

It's hard to believe we are reaching the home stretch of the school year. I know the last couple of months have been unusual and at times difficult. It's certainly not the way I thought I would be finishing off the year with your child. As a fun way of celebrating the last weeks of school, I've decided we will do an "End of the Year ABC Countdown!" Each day will focus on a letter of the alphabet (ie.: Letter B = Bubble Day) When we get to letter Z...we have reached the last day of school!! We are starting on Letter C (Letter A & B were actually last week...oops!)

I will still be posting the "Steam Weekly" issues on the website. I know some students really enjoy those activities.

I am also reminding you again to do what you can. If you can't get to an activity on a particular day...that's OK! Thank you for doing what you can to support your child's at home learning!
