News from our Community School Coordinator -

Happy spring to everyone! As the weather gets better and our grounds clear up, you'll notice our Essential Skills and Industrial Arts students will be starting work on our new Outdoor Learning Space. We would like to thank the Sussex Community and Area Foundation for their support in this project! Lunch programs are continuing this month with the awesome support of our Culinary Class. We want to thank Presidents Choice Children's Charity for their support of our nutrition programs. We are excited to participate in the Power Full Kids Eat Well program. We know that grabbing a snack on the go helps our kiddos get through the day. We would like to encourage you to take time with mealtime at home. Encourage your children to enjoy their meals with no screens on and to be mindful of what they are eating. We want to send a big thank you to our breakfast volunteers who come in to help feed our Elementary students a hot breakfast once a week. Thanks April, Sheila, Rita, Teresa, and Ally! If you can come help with breakfast once a month for 2 hours, we would really appreciate it! Contact the school for more info.

Kindergarten Registration

If you know of anyone who has a child that will be starting Kindergarten in September, please remind them that they need to register their child for school. It helps us a great deal to be able to plan for how many students we are going to have, as well district like to have an as accurate number of students as possible.

If you need registration information, please contact the office. I can send papers home or email them directly to you.

Welcome to Kindergarten will be on May 26th in the afternoon. Welcome to Kindergarten is an afternoon where you and your child get to meet the teacher, see the classroom, have a little tour and go for a short bus ride. More information will be provided in the coming month.
