February 2023

Grad Class Fundraiser – The Grad Class will be having a fundraiser dinner on Thursday, February 2nd from 5:30 to 7:00 at the school. Cost will be \$10/plate. Children will be \$8/plate. Tickets will be available at the door.

News from our Community School Coordinator -

We are very excited to announce that Cambridge-Narrows Community School is the first K - 12 school in N.B. to be declared a Learning for Sustainable Future School! This will mean many great learning opportunities for our students!

We want to give a huge thank you to everyone who contributed in any way to the food drive. As a school we brought in over 1200 pounds of food for the food bank. This is an equivalent of \$3800.00! Way to go everyone!

Lunch programs for February will be available on cash online by the end of the week. If your child has a credit due, from the storm day Jan. 16th, please just note credit on the order forms that will be going home later this week. If your student is a high school student and does not get the order forms, please just let Marcy or Sandra know what meal/lunch you'd like the credit for.

Don't forget that the C-NCS Home & School has an ongoing fundraiser with the C-NCS H & S 50/50 draw. This is a great way to support student activities and items needed. Thanks so much to everyone who plays on a weekly basis. This week's jackpot is already back up to \$600.00!

Nut Free - Reminder that we are a NUT FREE

SCHOOL. Please keep this in mind when sending any Valentine's treats to school. You MUST make sure they contain no nuts. Thank you.

SCENT FREE – Please remember that we are a scent free school. We have noticed and increase in students wearing scented products. Please note that scent free includes no body spray. Please be mindful with Valentine's Day approaching, flowers are not permitted in the school.
