May 2022

News from School Community Coordinator

Food programs will be running this month, with the first week of June being the last week for our lunch programs. We want to thank all students who support the Monday and Tuesday programs.

Thanks to the volunteers who came out and helped out with cluster activities during the half day in April. The students enjoyed each of the different activities.

Community Food smart bag orders will be going in on May 4th with pick up on May 11th.

Picking children up after school

If you are picking your child up after school, please send a note with your child or call the office. Students will be sent on the bus unless we are notified by an adult. Please let us know by 2:10pm.

Lost and Found

Once again we are starting to accumulate a lot of items on our lost and found table. If your child is missing clothing, please let us know if anything is yours.

Any items remaining will be donated in June.

Grad Class

Thank you to everyone who came out to support our bottle drive and breakfast fundraiser.

We appreciate your support.

Volunteers Needed

We are always seeking volunteers. We are looking for volunteers for a number of different programs. If you have a hobby or an interest you wish to share with our students and are available during the school day, then you may be able to help with our K-12 cluster days.

Please contact the school office at 488-3500.

Pre-Kindergarten Students

If you have a child or know of a child who will be starting Kindergarten in September, please contact Sandra at the office to make arrangements to come in to complete necessary paperwork.

The online registration site is currently under construction and is not available.

Registering your child early is helpful so that we have the correct number of students to plan for and also so that your child can be involved in any off to school programs that may be available. We always like to have a day when the children come to the school to see what the classroom and school looks like. They also get to go for a short bus ride if a bus is available.

Yearbook

2022 yearbooks are now on sale for \$35. They can be purchased on School Cash online or by contacting Sandra at the office.

Dates to Remember

Mark Your Calendars

Extra Clothing

Don't forget to send extra clothes with your K-8 students as it has been very muddy outside this year.

Utensils and Water Bottles

Just a reminder that students need to bring their own utensils and cups/water bottles for snack/lunch time. We do not have any plastic ones available.
