GRAD CLASS:

On Saturday, April 10th, from 11am to 3pm, the potential graduates from C-NCS will be doing a fundraising Bottle Drive. For this fundraising event, graduates will be collecting and bringing bottles/cans to the school, where (at the end of the drive) they will be loaded on to a truck and brought to the bottle depot. If you would like to contribute to this fundraising event, feel free to drop off your bottles/cans to the front of the school between 11am and 3pm or call the school and leave your address so that a grad may come and pick them up the day of the event. Our last bottle drive was a huge success; we thank the community in advance for their support.

The grad class will also be doing a **Drive-Thru Supper fundraiser on Thursday, April 22nd, from 4 to 7 pm**. The meal will be spaghetti, garlic bread, caesar salad and a small dessert for \$10. Purchases can be made with cash directly from a graduate, at the school (with a call ahead to schedule money drop-off), or through School Cash Online. We are asking that each purchase be accompanied with a note of when meals will be picked up (20-minute time intervals will be specified). This is to help ensure meals are freshly packaged and to cut down on wait time.

Thank you for your support!

World Autism Awareness

April 2 is World Autism Awareness Day. Did you know that CDC statistics revealed that autism spectrum disorder (ASD) is 4.3 times more prevalent in boys than it is in girls? This is because girls “often go undiagnosed because they don’t fit autism stereotypes and they mask symptoms better than boys do,” according to the Child Mind Institute. There is no better way to celebrate this day than by becoming aware of the characteristics of people with this condition and how all of us can do better to increase our own understanding and promote kindness.

Lets get Social. #WorldAutismAwareness
