

CNHS to Host end of the semester Fine Arts Open House on Tuesday, January 13 @ 7:00 PM.

Carleton North High School's Grade 11 and 12 Visual Arts and Graphic Design students are wrapping up their semester with a display of their creative work. Students will be presenting artwork including paintings, drawings, prints, sculpture and digital images. There will also be demonstrations of some of the art techniques they learned this semester. Throughout the evening, students in Music 112/122 will be performing.

The open house gives students a great opportunity to share their work with an audience and gives members of the community an opportunity to see the impressive projects produced this semester.

The event takes place at Carleton North High School on Tuesday, January 13, starting at 7 p.m. There is no charge for admission and refreshments will be served courtesy of students in the Culinary Tech. program.
