

## **ANNOUNCEMENTS January 15, 2015**

**UNB Saint John is hosting a *Student for a Day* event taking place on the turn around days following exams, Jan 26th and 27th. This is an opportunity for both graduating students who are exploring universities and grade 11 students thinking about their options. The day will include a tour of campus, sitting in on a real university class with current students, and lunch at the cafeteria on them. Check out the link below or see Mrs. Albright for more information.**
