

Good Evening ASD-W Families,

One great way to make payments for various items and services at your child's school is to do so online through a system called "School Cash Online". This system will allow you to make payments to the school with ease and will also improve documentation of the purchase and money management for the school. I encourage you to visit our website ([ASD-W.nbed.nb.ca](http://ASD-W.nbed.nb.ca)) and click on the "School Cash Online" tab to register...it is very easy.

Tomorrow, I will send another notice about transportation and how to check your details on our website. The transportation team have been working all week to have the system ready for tomorrow.

Have a great evening.

David McTimoney, Superintendent
