

Connecting for Support in ASDW

We are thinking about you!

Students or families are welcome to connect with their school.

Choose **one** of the following options to gain support for normal stress and anxiety, personal concerns, and school or career development questions including postsecondary requests.

School Phone Line

- Call the main school number
- Caller leaves a voicemail
- School will respond to messages during school hours

Online Form

- On the school website click on the secure **Request to Connect** form.
- Complete and submit
- School will respond to messages during school hours

District Line

- Call 1-506-461-4100
- Calls will be answered Monday - Friday between the hours of 9AM and 3PM
- Voicemail option is available if the line is busy. Calls will be returned during scheduled hours
