

**CHALLENGE:** Divide one page of your Field Journal into thirds. Label the first column solid, the middle column liquid, and the last column gas. Explore your home to find items to write in each column.

For continued learning, check your Epic mailbox, and watch the YouTube video “States of matter for kids - What are the states of matter? Solid, liquid and gas”.

States of matter for kids: "What are the states of matter? Solid, liquid and gas"

**EXPERIMENT:** In your Field Journal, record all materials needed to make Jello. Draw pictures to represent all 3 states of matter as you make a package of Jello (adult supervision required).

**3 States of Matter**

water- liquid      heat water- steam (gas)      jello crystals- solid  
physical change

mix in hot water (liquid)      place in fridge: removing heat      dissolves      transforms- liquid to a solid      physical change

**Homophones**

four flower  
Words that sound the same but have different meanings and spellings.

pear pair knight  
knight

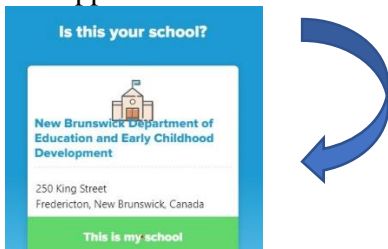

Watch the YouTube video clip “Bye Bye Buy - Blazer Fresh | GoNoodle”

Bye Bye - Blazer Fresh | GoNoodle

Continued learning of homophones is in your mailbox on [EPIC!](#) (Our class code ebs5537)

This week, I encourage you to read a chapter book or a few picture books about pets. My favorites are: Shiloh – Available on Sora Stone Fox – Available on Sora Because of Winn Dixie – Available on TumbleBooks (Username DFMS TumbleBooks Password: trial) For Sora, your school name, is the one in the picture below. Sign in using your Office 365 email/password. Click here to visit [Soraapp.com](#).

Books were also assigned on Epic.

**Modified Multiplication War with a Deck of Cards.**  
To practice an exact set of multiplication facts, as you turn over a playing card, multiply the entire set by (x2). Continue practicing with (x10), (x5), (x4), etc. When student is ready, turn over two cards and multiply both factors. (Can be played independently as practice and not as War)

**BOOK CLUBS**

You were given a book with your school supplies: House Arrest, Song for A Whale, A Boy Called Bat, Shouting at the Rain or The Wild Robot. Please go to Flip Grid and tell everyone what book you got & see the current videos from your classmates! To visit Flip Grid, click on the photo below, enter our Flip Code wardparish2020, choose "Login with Microsoft" and enter your Office 365 email/password. Next week, one of your assignments will be on Flip Grid.

**Quick writes!**  
Look at or listen to the prompt. Think for one minute. Write for 9 minutes.

**WRITING PROMPTS**

If you could drive, where would you go?  
If I were Prime Minister, I would...  
Getting ready for middle school.  
My favorite thing on the internet.  
The best thing to do on Halloween.  
What do you wish someone would invent?

Vowels are worth \$50 each, consonants are worth \$40. Can you make a word worth exactly \$200? \$600?

Click here to play “Money Master”.

20 ÷ 4, 24 ÷ 4, 28 ÷ 4, 32 ÷ 4  
What’s your strategy? What are the related facts? What do you notice? Create another set using a different multiple.
