

Cup O' Worms

This is a "treat" that looks yucky but tastes great!

- Chocolate pudding (or favourite flavor)
- Gummy worms
- Oreo baking crumbs

Make chocolate pudding (or use premade pudding cups). Put individual portions into cups. Sprinkle some Oreo baking crumbs on top of the pudding. Place a few gummy worms in each cup. Enjoy!

Muddy Trucks and Car Wash

- Small pool or tubs
- Brushes/cloths
- Cars and trucks
- Soapy water

Set up a fun washing station outside for your child's cars and trucks. Make a "mud pit" in one tote if your yard doesn't have any mud. Your child will love getting the toys clean and then dirtying them again and again!

Worms Up, Worms Down

Hold one arm in front of you. Take finger of opposite hand and move it "up" and "down" behind other arm.

CHAPTER 1

*Worms up, worms down. Worms up, worms down.
Worms are hiding in the ground. (hide "worm" behind arm)*

CHAPTER 2

*Worms down, worms up. Worms down, worms up.
Birds will come and eat you up! (pretend to eat "worm")*

5 Clean Squeaky Pigs

(Tune: "5 Little Speckled Frogs")

*Five pigs so squeaky clean,
Cleanest you've ever seen!
Wanted to go outside and play. Oink! Oink!
One jumped into the mud
And landed with a great, big THUD!
Then there were four clean squeaky pigs.
Oink! Oink!*

Continue until "there were no clean squeaky pigs"
