### **Remembrance Day Service**

We will be having a service for the students on Wednesday 7 November.

### **E-Library Pilot**

Florenceville Elementary School is piloting an E-Library program. This is an online lending library that can be accessed via an app (Sora overdrive) or through a website ([www.soraapp.com](http://www.soraapp.com)). All students at FES are able to access this virtual library with their school username and password. We will introduce all classes and students to this opportunity, so stay tuned for more information being sent home in the near future! Happy reading!

### **Pizza lunches –pay online!**

If you have not yet registered for online payments – please do so. It is very easy to do, fast, safe and convenient! School Cash Online is our school's PREFERRED method of payment. Online Parents also have the option of pre-ordering for several weeks!

Make online payments by registering at <https://anglophonewest.schoolcashonline.com>.

Do not hesitate to call us if you need help or come into the school and we can help you!

### **Arrivals and in the morning**

Please note that our morning bell goes at 8:00 am and that is the time teachers start duty in the hallways. Students should not be arriving and entering the building until this time. Lately many students have been dropped off before 8:00 am and they are not supervised. I ask you to respect this time.

If you accompany your child into the building in the morning, please drop them off at the office. Even the Kindergarten children have developed routines and can make their way down the hallway. ☺

A reminder to wait at the office at day's end to pick up your child.

Routines and rules are in place for both growth and protection.

### **PJ Drive**

Once again, this year we will be collecting PJ's in memory of Emma Pearson until December 6<sup>th</sup>.

### **Christmas Concert**

We will be making some changes to our Christmas Concert this year to accommodate the large crowds. We will try to come up with a solution soon. One may be that we have a K-2 concert and a 3-5 concert. We will let you know as soon as we iron out the details. Nothing is set in stone yet including the date.

### **Fundraiser**

Our annual school fundraiser was a huge success. Thanks to everyone who participated! The total profit for our school was \$5625.48 and this money goes back to the students and classrooms exclusively. Thank you to Leanne Stone for organizing the orders and counting the money. Big Kudos for a big job!
