

FMS Trip to AYR MOTOR CENTER – December 22, 2016

Departure from FMS – 8:45 am (ALL students are traveling off-site. There is no option to remain at the school.)

Departure from AYR Motor Center – 1:45 pm

Important information

Students are able to participate in a variety of activities on December 22 and will require these items if they choose the activity:

Swimming – 10:30-11:30 am – modest bathing suit, towel, and a bag for wet swim gear

Skating – 12:00-1:00 pm –hockey or winter sports helmet (**not** bike helmet), skates in protective bag, and winter outerwear

Fieldhouse activities – 9:30 am-1:30 pm - indoor sneakers and comfortable active wear

- It is a good idea for students to bring an extra snack and water bottle.
- Electronic devices are **not** permitted and we ask that students keep them locked in their locker at school.

There will be a community room available for students to house their coats, boots, etc. We will have pizza, water and fruit for lunch. If your child prefers, they can bring their own, nut-free lunch.

We ask that each student bring \$2.00 to help offset the cost of renting this facility.

It's going to be a great day full of physical activity!

I give my child permission to attend the outing at the AYR Motor Center on December 22, 2016.
