"Soar with the Eagles"

October 19, 2018

Dear Parents,

This year Home & School is excited to be offering a brand new fundraising campaign. We will be selling Aroma Maya coffee! Aroma Maya is a craft coffee roasting company based out of North River, NS. They offer a variety of roasts and blends to suit the tastes of all coffee lovers, including Pumpkin Spice blend- a fall favourite! Their slow roasted, Guatemalan coffee is sold in 12oz bags of either pre-ground or whole bean form.

Bags are \$15 each, with Home and School earning \$5 from each sale. As always, all money raised will be used for activities that will benefit all students at Gagetown School, including field trips, equipment for the school, and special events.

The campaign will run from October 19th to November 9th. We hope that we can count on your support in selling coffee to family, friends and co-workers. Every order counts!

Sincerely,

Jennifer Ball
