## Blanket Consent Form for School Outings 2018/2019

**Student Name:** \_\_\_\_\_

**Grade:** \_\_\_\_\_

### Consent for Educational, Sports and Cultural Outings

A certain number of off-site educational initiatives, sports, cultural outings and other similar events are customarily organized by the school during the school year. These are done with the goal of adding valuable experiences to your child's education. They assist in the development and growth of the whole child. In order for your child to participate in these outings, we must have your authorization. You will be informed of the dates, times and location of each outing before it takes place, but we will treat your signature on this form as consent for all future outings. Upon receiving specific information for an outing (notice, school messenger, website, etc...), you may wish to decline the participation of your child by contacting the school (488 - 3561) at which time we will make alternate arrangements.

Thank You for your co-operation in creating a meaningful cross-curricular learning environment for your child at Gagetown School.

Please sign below to give permission for the aforementioned school outings. This permission will remain in effect for the 2018/2019 school year, and may be revoked at any time by the parent.
