"Soar with the Eagles"

Gagetown Celebrates

Teachers celebrated Gagetown students in December and again in January. In December, 15 students were recognized for their Generosity.

Ownership was the quality that was recognized in January.

Gagetown is lucky to have such great students!

Welcome Back with Style

Students and teachers were welcomed back from the Christmas Holidays with the Calithumpians. We enjoyed the performance about Reusing, Reducing and Recycling with the performers jumping back in time similar to *Back to the Future* and *Harry Potter*.

3-5 Badminton Jamboree

Gagetown was represented in the ASD-W Badminton Jamboree by 7 students. They represented Gagetown well! Thank you to Mr. Millett and Mrs. Hartnett for supporting this event.

Publishing Party

The K-2 Classes had a publishing party which included snacks and fancy drinks. The authors were able to read to an audience and everyone participated! Thank you to Mr. Millett and Miss Ward for taking time out of your day to hear these authors!

Grade four and five students developed a project that encompassed all aspects of the weather unit. Students were required to create an island in an uninhabited location on earth. They had to determine what the longitude and latitude lines would be for their island so they could determine what the climate would be. Students included five geographical features and placed a weather tool in the best location for their island. They had to create a seven day forecast for their island and present this to the school through a showcase in the library.

"The Ferry Needs to Come Back" Written by Preston C.

Last Week Mr. Hiscock came into talk about the ferry. It was a farming route, an emergency route, and it saved gas. The ferry was taken away by the Government!

Survey for the PSSC.

We are asking the Kindergarten to Grade 5 parents to answer the following questions. Please cut and send back the answers with your child by February 7th. This is an anonymous survey.

If French Immersion were an option at Gagetown School would you consider having your child participate?

Yes No

If there was a French program with 30 minutes of French a day, would you consider having your child attend Gagetown School rather than sending them to Oromocto for French Immersion.

I would pick: 30 minutes a day of French at Gagetown
 French Immersion in Oromocto

Gagetown STAFF APPRECIATION WEEK

Brought to you by the Gagetown Home and School

Dear Parents / Guardians:

February 13th–16th is Staff Appreciation Week, the perfect time of year to show your appreciation for all the effort teachers, administrators and support staff put in each day and the wonderful education your children receive.

Each day of that week, our committee is asking different classes to provide snacks or treats for the staff room. Please see list below:

- **Monday, February 13th** – Craig, Fairweather
- **Tuesday, February 14th** – Francis, Boudreau
- **Wednesday, February 15th** – Hogan, Holland
- **Thursday, February 16th** – Gallant

Thank you for your support of Gagetown and its amazing teachers and support staff!! If you have any questions, please call Jen Ball at 261-3247 (Gagetown Home and School).

Cut out and place on the treat you send in.

*Teacher / Support Staff
Appreciation Week 2017*

Thank you for everything you do!
