Spring Recycling Contest

Start saving your unwanted, single use batteries because Gagetown School has entered the "Eco Kids Battery Busters Spring Cleaning Contest"! Starting April 1st and running until April 29th, you can bring unwanted batteries to the Gagetown School for recycling. The more batteries we collect, the better our chances of winning prizes which will help to support future school-based environmental initiatives. A \$2,500 prize will be awarded to the school that collects the most used batteries, and a \$1,500 prize will be awarded to the school with the most creative and original battery collection display and campaign! Thank you in advance for all your help!

SHARE

How many KIND words can you think of? Go see Mrs. Cormier and tell her your kind word. For every KIND word you give her, your name will be entered in a draw for a surprise.

The more KIND words you come up with, the better your chances to win!

Home and School

Home and School will be having their next meeting on Wednesday, April 20th. The Home & School continues to be very active at Gagetown School fundraising and leading programs and events for all students. If you have any questions, please contact Jenny McConchie (461-6659 or via email at jenny.mcconchie@hotmail.com). Gagetown students and staff appreciate all efforts made.

Parent School Support Committee (PSSC)

The next meeting for PSSC will be held on Wednesday, May 25th at 6pm. The PSSC members would like to thank Elizabeth Nason (DEC Liaison) for attending many meetings and for her support. Elizabeth has decided not to re-offer. Marty Forsyth, Wallace Carr and Bernie Phillips will be seeking this volunteer position on May 9th. The PSSC members are looking at the possibility to have these potential candidates share their ideas at Gagetown School. Once the date has been set, it will be posted on the school web-site.

For more information about PSSC or for meeting times, please contact Kelly Estabooks at 468-2047 or kellyestabrooks@rogers.com.
