February Recap

### Important Communication Update:

In an effort to enhance communication, Gagetown School continues to use School Connects Synervoice. Please let us know if you are not receiving these messages so we can send important updates!

We would also like to trial a system called Remind. Remind is an app that users can download to their phone. They will be notified by texts of upcoming events. Please fill out the bottom of the form and return to your child's teacher if you are interested in receiving communication in this manner.

### The Multicultural Association visits Gagetown

Students enjoyed an interactive presentation by the Multicultural Association. We learned about Black History Month and that it is important to respect all people. We were able to try African drums and listen to the sounds of Africa.

### Valentine's Day

Even with all of the storm days, Gagetown School celebrated Valentine's Day in style. We danced at our sock hop and donated food items to the food bank! Thanks to all who participated!

### Middle Level Basketball Update

The Eagles continue to amaze all who watch. The middle level team suffered a loss for their first game against Chipman. Since that game we have been on a winning streak! We avenged that loss with a win on our home turf. Gagetown has one more game in regular season.

Please cut and return

### **Remind:**

**I would like to trial the Remind app with the school. I understand that I will be asked to download the app.**

**My name:**

### Adopt a Grandparent

Middle Level students and the Gagetown Special Care Home staff and residents continue to take part in the Adopt a Grandparent program every Friday morning. Creating Art, card games, crib, completing puzzles and sharing life stories are a big part of the initiative. We will continue Adopt a Grandparent trying to get even more interested students involved, please look for permission slips!

### Pancake Day

Thank you to our Home & School for making pancakes for all students who ordered them! We are thankful to have such supportive volunteers.

### Gagetown Has Talent

The Gagetown Talent Show was a huge success. Thank you to Mrs. Gallant, Ms. Hogan and Mrs. Francis for organizing the event. Several students went on to participate in the Gagetown Variety Show.

### Let it Snow?

We had our fair share of snow in February. Our student took advantage of snow shoes and high snow banks to play on!

## Winter Carnival

Winter Carnival 2017 was a huge success. Students dressed in Camo and found their twins in the schools! We had school spirit and also had crazy hair.

The sports night was exciting with Kean T. winning the free throw competition. The Rotary Club won top honors on the volleyball court.

The bubble gum competition was a popping success. Students built structures from spaghetti and marshmallows. The teachers even won the title of floor hockey champs. We wrapped up the week with indoor/outdoor activities and students were grateful for the hot chocolate station, it was cold outside! A group of students started the March Break together watching Trolls.

## Update – Heritage Fair

The Heritage Fair is now Tuesday, March 28. We look forward to seeing what our students present!

## Recognition Winners for Empathy

Mrs. Gallant's class made a video to explain empathy to the school. Teachers picked Empathetic students to recognize! Next month we are looking at Attitude! We also wore pink shirts to show others we care.
