Ms. Crysta Collicott  
*Principal*

Mrs. Tina Noble  
*Vice-Principal*

**TO: HHS Athletes, Club/Committee Members & Parents**  
**FROM: Mr. D. Fletcher**  
**SUBJECT: HHS Awards Evening 2017**

The annual Harvey High School Awards Evening will be held  
**Wednesday, May 31<sup>st</sup> from 6:30-8:30 pm** in the Harvey High gym.

The awards evening has changed over the years. We used to hold a banquet complete with a sit-down meal. The format now is that students and parents sit in the audience while presentations are made on the stage. We hurry things along and finish in two hours.

The format looks like this: First, all letter winners are called up on stage and presented with a green “H” to recognize their participation in a variety of sports and activities. Then each team, club or committee is called up on the stage and **all** members are presented with a participation certificate. The coach or activity supervisor may make a few brief remarks and may present a few individual awards. The evening wraps up with our Keynote (major) Awards.

The awards evening provides an opportunity to celebrate the participation and successes of many of our students. We have several students who act as positive role models in our school community.

The last few years, parents and students have made a concerted effort to attend and we have done a great job recognizing our students. Each year, we always have instances where a student is not present to receive his/her letter, or more importantly an individual or major award. It’s a shame when students don’t get the public recognition they deserve.

Any student in grades 6-12 that has participated on a school team or who belonged to an extra-curricular club or committee is invited to attend the awards evening, along with their parents.

Students will be recognized in the following Sports and Activities:

- |                |                    |                      |           |
|----------------|--------------------|----------------------|-----------|
| Soccer         | Music Festival     | Leadership           | Peace Day |
| Cross Country  | Prom               | Yearbook             | GSA       |
| Basketball     | Drama              | Knitting Club        |           |
| Badminton      | STEAM Expo         | Dance Club           |           |
| Volleyball     | Music Club         | Safe Grad            |           |
| Track & Field  | Grade 12 Executive | UNB Math Competition |           |
| HHS Volunteers |                    |                      |           |

This year, we’re hoping to have a great turnout. A lot of work goes into organizing the awards evening. We want our students to be recognized for their efforts. Looking forward to an enjoyable evening.
