Ms. Crysta Collicott
Principal

Mrs. Tina Noble
Vice-Principal

The annual Harvey High School Awards Evening will be held
Tuesday June 7th from 6:30-8:00 pm in the Harvey High gym.

This will be our first in-person Awards Evening since 2019. Students and parents sit in the audience while presentations are made on the stage.

The basic format looks like this:

Certain students will be called up on stage to be recognized with a Volunteer Award.

Certain grade 8 students will be called up on stage and be presented with a green "H" to recognize their participation in sports for grades 6-8.

Certain grade 12 students will be called up on stage and be presented with green H's to recognize their participation in sports and activities for grades 9-12.

Then each team, club or committee is called up on the stage. The coach or activity supervisor may make a few brief remarks and may present a few individual awards.

The evening wraps up with our Keynote (major) Awards.

All team and activity members will receive certificates recognizing their participation in sports and activities.

The Awards Evening provides an opportunity to celebrate the participation and successes of many of our students. We have several students who act as positive role models in our school community.

Traditionally, parents and students have made a concerted effort to attend the Awards Evening and we have done a great job recognizing our students. Each year, we always have instances where a student is not present to receive his/her letter, or more importantly an individual or major award. It's a shame when students don't get the public recognition they deserve.

Any student in grades 6-12 that has participated on a school team or who belonged to an extra-curricular club or committee is invited to attend the awards evening, along with their parents.

Students will be recognized in the following Sports and Activities:

Cross Country	Soccer	Basketball	Volleyball
Laker Leaders	Stream Team	Yearbook	Grad Class Executive
High School GSA	HS Art Club	HHS Volunteers	Middle School Drama

This year, we're hoping to have a great turnout. A lot of work goes into organizing the awards evening. We want our students to be recognized for their efforts. Looking forward to an enjoyable evening.
