

# HARVEY HIGH NEWS

## October 15, 2016

Last week was Safe Schools Week, and it was a busy one for the staff and students of Harvey High School. The Harvey Volunteer Fire Department members, under the direction of Chief Jerrad Swan, come faithfully every year to lend us a hand with our fire drill and evacuation exercises. We appreciate their dedication and expertise; there are always suggestions for improvement. In an emergency situation, our students evacuate to either the United Pentecostal Church or the Harvey Fire Department. For lockdown, we simulated a noon hour event. This went very well with the help from the RCMP. All-in-all, very successful practice sessions.

Magazine Campaign has come to an end but it is never too late to order online. We receive profits from online orders year round. The website is [www.qsp.ca](http://www.qsp.ca) and our school code is 3706850. If you were missed and want to order but are unable to do so online, call the school and we will help you out.
