

HARVEY HIGH NEWS

March 15, 2017

March Break has passed us by leaving spring right around the corner. It is amazing how quickly the time will go by between now and June's end.

Evolved Audio Visual Limited has installed the new gymnasium sound system and it works wonderfully! Thanks to the Harvey High Home and School Association for your continued fundraising efforts. With this in mind, the next HHS H&S event, a **chili and chowder** supper, will take place March 24th in the cafeteria. The supper runs from 4:30 until 7:00 p.m. Along with the chili and chowder, brownies and ice cream will be served. All of this can be had for \$7 per person or \$20 for a family of four. Should you have time and interest in donating or volunteering for the HHS H&S, please contact Kim Corey (366-1982) or Cindy Drummond (366-2200).

The school STEAM (Science, Technology, Engineering, Arts and Math) Expo was held on March 2nd. The top three placements were: Angle It Up (Basketball Angles) by Cameron Chessie and Drew Halfyard, Zombie Parasites by Fallon Lucas, and Viscosity by Katharine Peasey. These students will head to Nashwaaksis Middle School on March 18th to compete at our district level STEAM Expo. Congratulations to all that took part and good luck to those moving on to districts! Also, thanks to Mrs. Lynch and Mrs. Kelly for providing the opportunity for their students to participate in this excellent learning opportunity. There was a great show of support for the students involved; parents, and even some grandparents, took advantage to come out and see what the students accomplished.

Public and businesses are welcome to purchase advertising or announcement space on our sign; \$10 a day, \$30 a week, or \$100 a month. Contact Deanna Moffitt (366-2200) should you wish to do so.

Special thanks for all the community support of our senior basketball teams as they participated in the Final 12 Provincial Championships at Harbour Station. Congratulations to our Senior Boys team on

their third consecutive provincial championship and congratulations to our Senior Girls team on their silver medal performance after playing extremely well in our first Final 12 appearance since 2008. Both our middle school boys and middle school girls teams played well at provincials, narrowly missing the playoff round by a few points. As well, our mini boys team won a silver medal and our mini girls team won a bronze medal at provincials. Special thanks to our volunteer coaches for all the time they've dedicated to these players. High school badminton players will be competing in conference, regional and provincial playoffs over the next three weeks. Volleyball season has started and HHS will field a senior boys team, a senior girls team, a junior girls team, middle school boys "A" & "B" teams and middle school girls "A" & "B" teams. Continue to check under the "Extracurricular-Athletics" link on the HHS website for weekly updates on practices, games and tournaments.

Parent/teacher interviews will be held on April 10th, both during the afternoon and evening. The afternoon session will run from 1:00 p.m. until 3:30 p.m. and the evening session 5:30 p.m. until 7:30 p.m. It is important to communicate throughout the year with your child(ren)'s teachers should you have any questions or concerns. Email has definitely enhanced communication, but there is nothing like sitting down face-to-face to discuss your child(ren)'s progress. Report cards will be issued the week of April 3rd- 7th. Mrs. Moffitt will be scheduling appointments as soon as report cards are released.

Crysta Collicott
Principal
