

HARVEY HIGH NEWS

March 15, 2019

It is the time of year when adhering to the HHS Dress Code becomes challenging for some. Please be mindful when making spring purchases that there are school standards that must be respected. In particular, students are expected to present themselves in neat and appropriate dress. This means that students' tops should cover up to mid-chest (up to arm pits) and mid-back, and must cover torso. (Crop tops do not meet code.)

1. Tank tops with spaghetti straps or without 2 straps are not allowed.
2. Shorts must cover upper thigh and skirts must reach mid-thigh sitting or standing.
3. Layered clothing must meet the dress code (shorts under skirts, etc.).
4. No undergarments may be visible.
5. Clothing underneath sheer clothing must meet dress code.

STEAM Expo Science Fair was held Thursday, February 28th, at Harvey High. All participants are congratulated for all their hard work! Top prizes were as follows: Dara Glaspby/Brooklyn Riley – 1st prize for 'A plants reaction of being a victim', Dawson Morecraft/Colton Kelly – 2nd prize for Pops Effects on Teeth, Jordis Steven/Carter Reagon – 3rd prize for Electromagnets. The above students have the opportunity to head to Districts in Oromocto on Tuesday, March 19th. Good Luck! Thank you to Mrs. Lynch, Mrs. Bostick and Miss McKenzie for the work and dedication to move this project forward with our students.

Grade 11 students can start submitting their applications to NBCC beginning April 1st. They can apply online at nbcc.ca and will need to inform the school to forward their transcript.

Parent/teacher interviews will be held on April 4th, during the evening (5:30 pm until 7:30 pm.) The April 5th afternoon session will run from 1:00 pm until 3:30 pm. It important to communicate throughout the year with your child(ren)'s teachers should you have any questions or concerns. Email has definitely enhanced communication, but nothing replaces sitting down face-to-face to discuss your child(ren)'s progress. Report cards will be issued April 1st. Mrs. Moffitt will be scheduling appointments as soon as report cards are released.

An information evening on post-secondary financial information will be held on April 8th, at 6pm, at McAdam High School. This presentation is being offered by the Department of Post-Secondary Education, Training, and Labour and is open to any interested grade 12 students and their parents. Please RSVP by emailing sarah.wood@nbed.nb.ca or calling the school.

We had nine basketball teams playing out of our gym this year (senior, junior, middle school and mini) and all teams had successful seasons. Special congratulations go out to the Senior Girls team who won the provincial championship at Harbour Station, defeating Hartland in a very exciting game. Special thanks to our volunteer coaches who dedicated hundreds of hours of their time to players during the season and special thanks to parents and fans in the community for all their support. Volleyball tryouts have been completed and we have six teams (senior, junior and middle school) representing our school this season. As well, high school badminton players will be competing in zone, regional and provincial playoffs in April. Continue to check under the "Extracurricular-Athletics" link on the HHS website for weekly updates on team tryouts, practices, games and tournaments. As usual, home games, tournaments and events are also posted on the digital sign at the end of the HHS driveway.

CALENDAR

- Mar 22 Prof. Learning (PL) – no school for students
- Apr. 1 Report cards to be issued
- Apr. 4 Grade 7 HPV Immunizations
